Dear Darcy,

We want to give a big THANK YOU to The Loan Company. John got a first trust deed loan for our gas station at a very fair and reasonable rate and terms. We looked high and low for a better loan and could not find one. John and Darcy funded the loan on the day they said they would. It was a pleasure working with them and we would recommend them to anyone looking for a loan.

Thank you again for making our loan,
Barry and Linda O'Brien
