The Loan Company is on top of my recommended lenders for short-term, stream-line real estate loans. The Loan Company helped me acquire several income properties just after the recession that I would have never been able to purchase using other lenders. I was then able to quit my job based on the cash flow from the properties and pursue other real estate investments. I know I can always count on The Loan Company as a partner. I am grateful for the opportunities to work with this company and its incredible team.
