"Our work with John and his team at The Loan Company has helped us with several investment property acquisitions over the past few years. We were thrilled with our most recent closing at their ability to Fast Track their underwriting process and deliver funds in just a few days. They consistently go beyond our expectations in terms of pricing and competency.

What we appreciate most about working with John and his team is their ability to keep in tune with market values and conditions and be able to translate this into superior no-nonsense financing options delivered on time. We look forward to growing our business with the loan company for many years to come."
