Great Job - as Usual!

To: John Lloyd, Darcy Peters and the rest of the staff at The Loan Company of san Diego,

I wanted to thank you for your professionalism, prompt service and effort to make obtaining and funding loans a streamlined process.

We have completed numerous loans with The Loan Company including a line of credit loan and have very pleased.

As an investor, it is important to be able to access capital quickly when it is needed and you have been very accommodating. I have recommended others to your company and will continue to do so!

Respectfully,
