Darcy.

While this is long over due, I wanted to write to express my sincerest gratitude for the opportunity The Loan Company provided me. Had it not been for the Loan Company, I would have lost the property. The level of service from every aspect in working with The Loan Company has set my standard so high that absolutely no other lender could possibly come close on every level. I would never even think about going anywhere else but The Loan Company for any future potential investment opportunities.

What impressed me the most seriously was the sincerity of John and Kaized who both made me feel as if we had been doing business together for years. Upon closing of the loan, John and Kaized both took the time to write a personal congratulations card and also impressed me. Of course there is yourself Darcy, all of you were the most consummate professionals I have had the opportunity to work with in decades!.

The closing time was the most effective, accurate and expedient process of any loan and allowed me to continue the what was a very good business decision as forecasted. Thank you for seeing this as a good decision as well.

Best Regards.
