*I have worked with John, Darcy and the rest of the team at The Loan Company for a few years now and they've become my goto team for hard money loans. They always come through for me whether I give them 3 weeks or 3 days to get the job done. Their rates and fees are always extremely competitive and they're willing to think outside the box when it's needed. I strongly recommend them to anyone I overhear talking about hard money loans.*
